A TA with a 50% appointment will not be assigned a workload of more than 220 hours per quarter or a workload of over 20 hours in any one week.

The number of hours worked in excess of 20 hours per week may not total more than 50 hours per quarter. This standard will apply proportionately to other percent appointments. In addition, a TA with a 50% appointment or less will not be assigned a workload of more than 40 hours in any one week or more than 8 hours in any one day. SUMMER SESSION WORKLOAD: A TA with a 50% appointment during any summer session, regardless of session length, will not be assigned a workload that exceeds 120 hours or will not be assigned to work more than 8 hours in any one day. This standard will apply proportionately to other percent appointments. This provision does not apply to ASEs who are the Instructor of Record. This check sheet is designed to be distributed to all ASEs except those who are designated as the Instructor of Record for the course.
