----------	-------------------------------------------------------------	-----------------------------------------	----------------------------------------------------------------	--------------------	--------------------

**Office Hours:** These office hours are for all Chem. 1A/1AL, Chem. 1B/1BL and Chem. 1C/1CL students. Students can attend any office hour, any time, any day. TAs can help students with pre-lab and review questions and questions from the lecture class, Chem. 1A, 1B and 1C.

**Help:** If you need help writing your discussion, first read the discussion writing guidelines posted on Gauchospace. If you have specific questions regarding your discussion see any TA during TA office hours. Be prepared to explain your results and possible errors that caused your results to be higher or lower than the known value.

During office hours students may use this room to study as well.
