

## Campus-Wide Resources

### **CAPS- Counseling and Psychological Services**

- Licensed psychologists and stress peer advisors provide students with one-to-one personal and confidential support at Counseling Services.
- Students can relax for a while in the "Egg Chair," which has become a student-celebrated part of campus.
- **Building 599 (one-story pink building adjacent to Storke Tower)**

### **Career Services**

- Provides students with many job search preparation services, including interviewing skills, networking, and resume and cover letter assistance.
- Get help with finding jobs, picking a major, finding an internship, and more! Get help with finding a job, picking a major, finding an internship and more.
- **Building 599 (one-story pink building adjacent to Storke Tower)**

### **CLAS – Campus Learning Assistance Services**

- Offers group tutorials, drop-in help sessions, learning skills workshops, writing labs, and tutoring services to help students succeed in their classes.
- All services are free of charge, with the exception of individualized tutoring, which is available for a small fee.
- **3210 Student Resource Building**

### **DSP – Disabled Students Program**

- Staff members assist permanently and temporarily disabled students in their success at UC Santa Barbara. Students are responsible for making DSP aware of their disabilities and providing appropriate documentation. Services provided by DSP are all free of charge.
- **2120 Student Resource Building**

### **EOP – Educational Opportunity Program**

- Encourages student involvement on campus and a sense of community and empowerment among students. The program provides academic support services, social programming, cultural centers, and staff mentoring to students at UCSB through graduation.
- **2210 Student Resource Building**

### **MCC – Multicultural Center**

- Strives to promote a sense of belonging among students of color, international students, and gay, lesbian, and bisexual students. The MCC also works to facilitate the retention and recruitment of students of color and to combat institutional racism and ethnocentrism.
- **UCEN 1504, Located across from the Corwin Pavilion**

**OSL – Office of Student Life**

- Provides a variety of valuable services to students, including campus room scheduling, organizational advising and consultation, support for first-year and transfer students, and leadership development.
- **1104 & 2260 Student Resource Building**

**OISS – Office of International Students**

- Provides services and programs to meet the cross-cultural and immigration needs of international students and scholars.
- **Room 3130 Student Resource Building**

**RCSGD – Resource Center for Sexual and Gender Diversity**

- Serves the lesbian, gay, bisexual, transgender, intersex, queer, questioning and ally community and provides LGBTIQ+ educational programming, social activities, advocacy, resources, and consultation with the goal of enhancing safety, acceptance, and quality of life in the UCSB community.
- **3130 Student Resource Building**

**Check out the SRB! The Student Resource Building is home to a multitude of campus departments and resource centers. This building also provides ample study space, optimal for testing seasons.**
